Hot!!!

Saturday, July 25th was too hot for our Dumpster Day! As you know, we called it off.

Dumpster Day is **ON** for Saturday, August 1st at 9:00 am.

We will begin on the second floor, clearing out the mess left with the departure of the Community Play School. We will have some help from Coach Barry's SplashHoop program which is currently using Westminster Hall.

Come if you are able - **Please bring your face mask** - and stay as long as you are able. We'll do what we can. Thanks!

Roof Report

The Session/Trustees are reviewing quotes to fix the leaking roof in the Sanctuary building. Meanwhile the rain keeps coming in!

IN MEMORY OF JOHN LEWIS

Lift every voice and sing, 'til earth and Heaven ring
Ring with the harmonies of liberty
Let our rejoicing rise, high as the listening skies
Let it resound loud as the rolling sea

Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us
Facing the rising sun of our new day begun
Let us march on 'til victory is won

Now God of our weary years, God of our silent tears
Thou Who hast brought us thus far on our way
Thou Who hast by Thy might, led us into the light
Keep us forever in the path, we pray

Sing a song full of the faith that the dark past has taught us
Sing a song full of the hope that the present has brought us
Facing the rising sun of our new day begun
Let us march on 'til victory is won

"Lift Every Voice and Sing" is a song written in 1900 as a poem by James Weldon Johnson (1871–1938). His brother, J. Rosamond Johnson (1873–1954), set it to music in 1905. It was first publicly performed as at a celebration of Abraham Lincoln's birthday.

Look for the song on our Hamilton website, the page known as "useful links." You will be able to hear it performed by the Morgan State University Choir.
