IN-HOUSE WORSHIP AT 11:00 AM!

If you are comfortable, do join us for In-person worship in the Sanctuary. We are moving into our fourth Sunday of in-person worship and observing all the health protocols. We do manage to sit quite apart from each other and of course, masks are required at all times. Please plan to bring and wear your mask!

This coming Sunday, the first in October, we will celebrate World Wide Communion.

Following worship, we'll have a special visual report on work done around the church, including pictures of our new roof.

We understand some folks may feel uncomfortable with the whole idea of in-person worship. In the final analysis you are the best judge of your comfort in being present. We honor and support your decision.

LAST SUNDAY, WE RECOGNIZED THE SERVICE OF SplashHoops

Coach Barry Carrington and three of his key team members were present at worship so we could say "thank You" for their help clearing Westminster Hall. Considering we are now on our 5th dumpster, the combination of SplashHoops and Church Members working together is awesome.

They came forward so we could recognize them and then with a special verse in the Thank You Song, we sang together:

*Thank you for giving us the SplashHoops,
Thank you for all their great, great things,
Thank you, for all their work and service,
They've given us some wings.*

And then we finished with:

*Thank you, O Lord, your love is boundless,
Thank you that we are full of you,
Thank you, you make us feel so glad
and thankful as we do.*

THE PROJECTS KEEP ROLLING ALONG

As you know, we created a list of projects to be done around our facilities. And we decided we would tick off these projects one after another as our funds hold out.

This coming Sunday, we'll present a full report with pictures of our progress to date. The report will follow our worship service and be held in the Sanctuary so social distancing can be observed.

OK, SURE WE SAID:

“ONE MORE DUMPSTER DAY”

BUT THERE IS ONE MORE ROOM.

SATURDAY, OCTOBER 3RD

Thanks to the hard work of many good people, much of Westminster Hall has been cleared of trash.

We still have one more room that needs clearing. With your help, we can wrap this up.
